

Life Saving Rules

YOU ARE ACCOUNTABLE

PEMBINA

SAFETY

STARTS WITH ME
ZERO BY CHOICE

Bypassing Safety Controls

Obtain authorization before overriding or disabling safety controls and devices

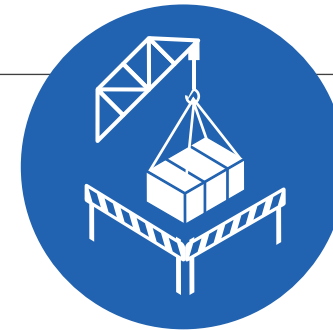

Driving

Drive for the conditions on and off the road while obeying all applicable laws

Hazard Assessment

Assess hazards before starting work and reassess if conditions change

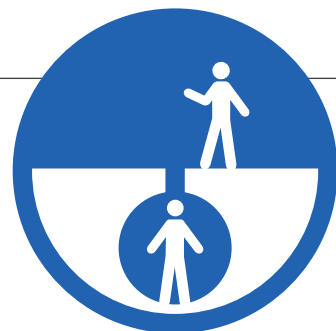

Safe Mechanical Lifting

Plan lifting operations and control the area

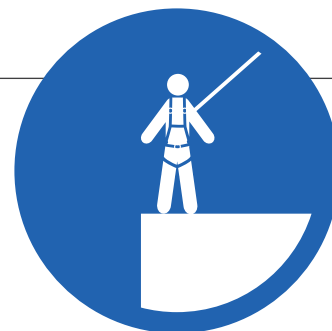

Ground Disturbance

Check the location of buried utilities before starting mechanical excavation

Confined Space

Obtain a permit before entering a confined space

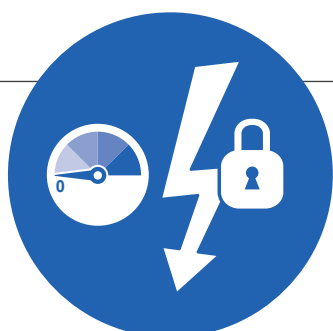

Working at Height

Protect yourself against a fall when working at height

Work Authorization

Work with a valid permit when required

Energy Isolation

Verify isolation and zero energy before work begins

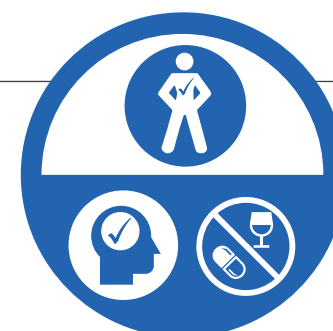

Line of Fire

Keep yourself and others out of the line of fire

Hot Work

Control flammables and ignition sources

Fit for Duty

Be in a state to perform work safely

STOP AND THINK SAFETY STARTS WITH ME

Stop work when you see a Life Saving Rule not being followed or where you feel you cannot meet a Life Saving Rule
